### Applying For Jobs at Fresh Grocer

As many of our displaced members may know, The Wakefern Corporation (ShopRite) is going to open three stores in our area, called Fresh Grocer. They are scheduled to open in the early part of this year. As it stands, we are expecting to be the Union in those stores. This would mean that Local 1034 would have to negotiate a new contract for its members that are employed at Fresh Grocer. The Local would certainly try to get many of the things that we had in our Pathmark contracts, but there is no guarantee that the Fresh Grocer would agree to that. However, we will negotiate with them, to get the best contract we can for our members.

Regardless of whether or not we do get into those stores, we want to let you know of this opportunity to possibly get a job. The store locations are in the old Pathmark of Cheltenham, the old Pathmark of City Line Avenue and the old Pathmark of Grays Ferry Avenue. There is a fourth location at the old Pathmark of Aramingo, but at this time, there have not been any definite plans as to what or when that location will be open.

We would highly recommend and encourage anyone interested in a job, go to the Fresh Grocer website as soon as possible. Fresh Grocer website ([www.thefreshgrocer.com/](http://www.thefreshgrocer.com/))  
The link for jobs (careers) is at the top of the page. Click on careers and search under the Wyncote location, zip code 19095. This link is the closest link for the Cheltenham site. This link should also be used for the City Line store, because the same owner will operate both stores. For the Grays Ferry location, go to the Progress Plaza Fresh Grocer (19122) link.

If anyone needs help with this or has any questions, please don't hesitate to call us for assistance.
